Introducing: Bible 365

One of the most important things you must do to be spiritually strong is to be diligent in your Bible reading. To encourage and assist the members of the Ozark congregation in this task, we are publishing a weekly Bible reading guide—**Bible 365**. You hold the inaugural issue in your hands. The title of this guide is a reminder to each of us to emulate the example of the Bereans—“These were more fair-minded than those in Thessalonica, in that they received the word with all readiness, and searched the Scriptures daily *to find out* whether these things were so” (Acts 17:11). Let us aim to read the Bible **every day** of 2009, if the Lord is pleased to give us the coming year.

1. Through 2009, Lord willing, there will be 52 issues of **Bible 365**, with the following reading plans:
 - ❖ Chronological Through the Bible
 - ❖ Daily Old & New Testament Through the Bible
 - ❖ One Month Reading Plans
2. There will be a number of special Bible 365 issues (like this one) that will include special plans, challenges, and helpful information for reading and understanding the Bible.
3. For the month of January I want to challenge you to **read through the New Testament**. On the back of this sheet you will find the reading plan that will take you through the New Testament in one month.
4. You can also **listen** to the New Testament—Smith has the NKJV in MP3 format from a free source—just ask for a copy.
